# About Us.

## Introduction

Mahendra Blasting & Coating Enterprise (MBC) is a premier provider of industrial surface treatment solutions, specializing in high-performance sandblasting, protective coating, and industrial painting services. Based in Mundra, Gujarat, we are dedicated to delivering flawless finishes that enhance the longevity and durability of steel structures, equipment, and industrial components.

With a commitment to quality and innovation, MBC utilizes state-of-the-art technology and calibrated equipment to meet rigorous industry standards. Our expert team ensures that every project—from decontamination to the final aesthetic coat—is executed with precision, reliability, and an unwavering focus on safety.

# Mission & Vision.

## MISSION

- At Mahendra Blasting and Coating Enterprise, our mission is to deliver superior surface preparation and protective coating solutions that exceed industry standards. We are committed to empowering our clients by safeguarding their assets and ensuring durability, quality, and trust in every project we undertake. Our focus on innovation, sustainability, and customer satisfaction drives us to excel in every endeavor.
- To provide top-tier industrial surface protection services by combining skilled craftsmanship with optimum-grade technology, ensuring our clients' assets are protected against corrosion and environmental wear.

## VISION

- To be the most trusted partner in the blasting and coating industry, recognized for our safety standards, operational excellence, and ability to deliver lasting results for complex industrial projects.

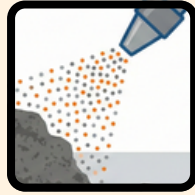

# Why choose us?

- Precision & Quality: We ensure meticulous cleaning, even in complex corners and re-entrant angles, guaranteeing a perfect base for coatings.
- Advanced Equipment: All our blasting and painting equipment is regularly calibrated to ensure consistent, high-quality output.
- Expert Team: Our workforce is highly trained in the latest application techniques and safety protocols.
- End-to-End Solutions: From surface preparation to the final protective layer, we handle the entire lifecycle of surface treatment.

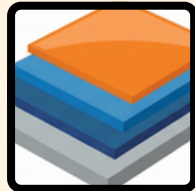

# Our Services

We offer a comprehensive range of services designed to prepare, protect, and preserve your industrial assets

## ABRASIVE BLASTING SERVICES

- We use advanced pre-finishing techniques to remove rust, mill scale, and contaminants, creating the perfect surface profile for coating adhesion.
- Sandblasting: The preferred method for deep cleaning and surface preparation.
- Copper Slag Blasting: Eco-friendly and efficient abrasive cleaning.
- Shot & Grit Blasting: For aggressive surface profiling and cleaning.
- Garnet Blasting: High-precision blasting for specialized applications

## PROTECTIVE COATING SOLUTIONS

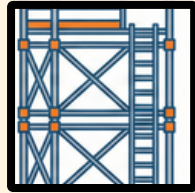

- Liquid Epoxy Coating: Offers seamless finishes with superior corrosion resistance.
- Epoxy Powder Coating: Provides a tough, durable layer for high-wear environments.
- IFBE Coating (Internal Fusion Bonded Epoxy): Specialized protection for internal surfaces of pipelines.
- Pipeline Wrapping: External protection systems for underground and submerged pipelines.

# Our Services

## INDUSTRIAL PAINTING

- We apply high-quality paint systems (primers, undercoats, and finish coats) to extend the life of steel structures while maintaining visual excellence. Our solutions are tailored to withstand harsh industrial environments.

## ALLIED INDUSTRIAL SERVICES

- Scaffolding Services: Safe and reliable access solutions for elevated works.
- Manpower Supply: Providing skilled workforce for industrial projects.

## **SAFETY AND COMPLIANCE:**

**AT MBC, "SAFETY FIRST" IS NOT JUST A MOTTO; IT IS OUR OPERATIONAL CORE. WE STRICTLY ADHERE TO LOCAL AND NATIONAL SAFETY REGULATIONS TO PROTECT OUR WORKFORCE, YOUR ASSETS, AND THE ENVIRONMENT.**

- **STRICT PPE PROTOCOLS: MANDATORY USE OF SPECIALIZED BLASTING MASKS, AIR-SUPPLY HELMETS, APRONS, GOGGLES, AND RPES.**
- **HAZARD CONTROL: RIGOROUS CONTROL OF IGNITION SOURCES, SPARKS, AND CHEMICAL STORAGE AS PER MANUFACTURER RECOMMENDATIONS.**
- **WASTE MANAGEMENT: SAFE AND LEGAL DISPOSAL OF SPENT ABRASIVES, PAINT CANS, AND SOLVENTS AT APPROVED DUMPING SITE.**
- **WORKFORCE TRAINING: REGULAR SAFETY BRIEFINGS, TOOLBOX TALKS, AND FIRST-AID TRAINING FOR ALL CREW MEMBERS.**

# Message from the founder

## MAHENDER SINGH

### FOUNDER

At Mahendra Blasting & Coating Enterprise, our journey began with a vision to provide world-class surface preparation and protective coating solutions from the industrial hub of Mundra. Since our establishment, we have been committed to delivering exceptional craftsmanship, precision, and durability in every project we undertake.

What sets us apart is not just the advanced technology or rigorous processes we employ, but the dedication and passion of our team to ensure our clients receive the very best. For us, it's not just about coating surfaces—it's about protecting the value and longevity of your investments while building relationships grounded in trust and quality.

We are deeply grateful for the trust and support of our clients, which inspires us to innovate and raise the standards of our industry every day. Together, we continue to move forward with a commitment to excellence and a shared vision of growth and success.
